

Inclusion Program Management Software

Crafted to revolutionize how agencies employ small and diverse suppliers.

The Management Maturity Model™ (M³™) is a unique inclusion program management software solution. Crafted to revolutionize how agencies employ small and diverse suppliers, M³ is an innovative engagement tool and procurement platform for large, complex projects.

Powered by BTG's exclusive technologies and methodologies, M³ is the only small business readiness measurement platform of its kind. Designed to assess the maturity and management capability of businesses, M³ uses data-driven metrics and performance indicators to determine readiness.

EXPERT SOLUTIONS. EXCLUSIVE TECHNOLOGIES.

The M³ Suite is customized from BTG's library of tools to fit agency-specific program needs and goals. These tools are backed by decades of expertise in inclusion programs, operations, management, strategic planning and small business program management.

ANALYTIC FEATURES:

- Multiple Management & Assessment Categories
- A Variety of Search and Database Filters
- More than 40 Sub-Filter Categories

M³ IS THE ULTIMATE TOOL.

Designed to assess the maturity and management capability of businesses, M³ uses data-driven metrics and performance indicators to determine readiness.

We also use M³ to assess and vet small business needs, to be successful on large-scale construction projects, and as a way to manage and minimize project risks for our clients and primary contractors.
